Under the Tuscan Sun

Carla and Judy have created a special painting tour in Tuscany where they will both share their unique and successful painting techniques. As they team teach in one of the most culturally rich regions of Italy, they will inspire memories that will awaken painting endeavors for years to come.

Count on fun, a few surprises, lots of laughter, new friends, and an amazing creative experience!

Group size is limited. Early booking is highly recommended.
Tour is suitable for painters of all levels
and non-painting partners are welcome.
